## Area56™

### Features & Benefits

Area56 is a database of all AMC rules and legislation at the state level. We have created a simple grid to summarize the major components of each state law.

Area56 attempts to make sense out of what may seem sometimes to be paranormal activity.

#### AMCs

- Track registration fees and requirements
- Central database for state legislation
- Email group for discussion of compliance challenges
- AMC legislation will drive your internal policy and practices

#### Lenders

- Monitor AMC requirements to ensure your vendors are compliant
- Monitor the email discussion group for emerging issues
- Staying abreast of third party requirements will impact risk management, compliance, and service level agreements
